

PEEPS*

*Portsmouth Educational & Extracurricular Production Staff.

Members of the PSET viewing area are invited to become members of the volunteer community production staff known as 'The PEEPS'. Suggestions for program development need to be relevant to and suitable for, the Portsmouth Public Schools Community. Parents recording school events; sports, award ceremonies, stage performances, etc. are encouraged to make their footage or finished programs available for play out on PSET. Preferred projects will be finished High Definition programs, edited for length in 29 minute packages. No advertising is possible but banner credit can include web addresses and organizational credit. Final credits can list all production staff. Proposals for program development should be initiated 90 to 60 days prior to the proposed start of production.

Technical specifications should follow the HDV 720/30p file format:

MPEG Video: 29.970 fps, 1280x720 Progressive, YUV, 18.3 Mbps

Pixel Aspect Ratio: 1.000. Audio: 384 Kbps, 48,000 Hz, 16 Bit, Stereo.

Variations from these specifications may make the project unusable.

PSET will offer reasonable assistance in meeting these specifications. We also may make certain equipment available in special circumstances. This can include camcorders, microphones, lighting equipment, and editing facilities. Any equipment loan will be on a case by case basis.
