HOW DO YOU LEARN BEST? YOUR WAY MAY NOT BE "HER" WAY!
KNOWING YOUR LEARNING STYLE CAN HELP YOU HELP YOUR CHILD!

This is a fun, interactive workshop that will provide you with publicly available Learning Inventories to help you see how YOU learn best. We will do one of these inventory sheets on line together and then we will provide you with materials to take home for your child to take a Learning Inventory himself. Discovering that there is not just "one right way" to learn may help you avoid some of the homework "friction" you may be having at home.

YOU MUST REGISTER ON OR BEFORE February 17, 2012 By email to LESLIE.ANGE@pps.k12.va.us or call (757) 289-4102 and leave a message with contact information.
